Dear Friend of the Falmouth Public Library,

It is time again to renew your membership in the Friends of the Falmouth Public Library. This year, in addition to the many services regularly provided to the Library, some of which are Museum Passes, Data Bases, such as Mango Languages and Lynda.com plus Consumer Reports on line, the Friends has supported several new and important projects. The Library now has a website that is managed by library staff and allows them to reach out to the community in new ways. The web site provides access to digital collections, informs people of library events and reaches out to teens and other specific groups in the community. The State Board of Library Commissioners provided a small grant but the bulk of the funds came from the Friends. Another major project funded by the Friends was a HD video projector for the Hermann Room which is available for all groups to use. When new initiatives arise or unanticipated expenses occur, the Friends are always there. All of this has been made possible by your generous contributions, all of which are spent for the Library in the year given. For renewals and donations, please clip and return the bottom portion of this sheet to the address above or hand it into the circulation desk in the main Library. Note: if your name on the envelope is followed by an asterisk (*) or an octothorp (#), either you are, respectively, a lifetime member or have already paid dues for 2017 and this missive is sent just to keep in touch. If you have a different address for part of the year, please include it so the newsletter will always be sent to the right place.

Thank you,

Bill English, Membership Director

Mary Tamucci, Assistant Director
