The Summer Reading Program encourages children of all ages to read during the summer. Participants pledge how much time they would like to read each day when they sign up for the program. The suggested time is a minimum of 20 minutes per day. Participants may read on their own, have someone read to them, or listen to audio books— it all counts! For every week the reading goal is met, participants will earn a prize. Registration is open anytime between

June 26th and August 5th

Children who are visiting Falmouth are encouraged to join in! Sign up at the Main Library, or at the East Falmouth or North Falmouth Branches.

Build A Better World is sponsored by the Falmouth Public Library, the Friends of the Falmouth Public Library, the Massachusetts Library System, the Boston Bruins, and the Massachusetts Board of Library Commissioners.

Our organization does not discriminate on the basis of race, color, sex, disability, religion, national origin, or sexual orientation.
