Community Meeting #2

November 5, 2025

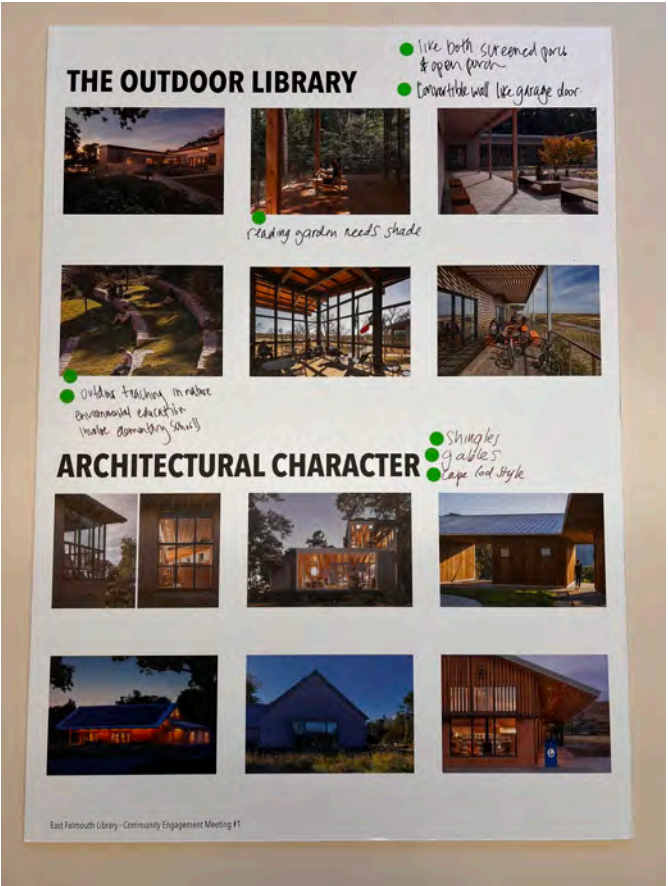

September 30th Community Meeting

Community Feedback Takeaways

- Ample daylight and views
- “Yes” to porches & outdoor spaces
- Cape Cod character
- Use of natural materials, wood shingles
- All-white interior spaces seen as too sterile
- What’s most important to you?

Architectural Character, Accessibility, Sustainability and Community and Socialization criteria all scored high

An aerial photograph of a residential neighborhood, heavily filtered with a blue color. In the foreground, a large, two-story house with a gabled roof and a chimney sits on a grassy lot. To its right is a paved parking area with several cars. The background is filled with dense trees and other houses, with a body of water visible on the left side of the frame. The text 'Building Design' is centered over the middle of the image.
